NAPERVILLE, IL — Campers in grades 1-8 will embark on interactive learning adventures and explore science, art, history, and more at Naper Settlement's 16 uniquely themed Camp Naper summer day camps. At Camp Naper, which runs from June 6 through August 3, children will enjoy hands-on educational activities while strengthening their critical thinking and problem-solving skills. Registration for the 3-, 4-, and 5-day camps begins on February 17. To view the list of camps and register, visit NaperSettlement.org/CampNaper.

“Our campers will explore our 13-acre campus while learning about the animal kingdom, discovering the science behind magic tricks, cracking secret codes, and adventuring into the past,” said Jackie Maronic, learning experiences team leader at Naper Settlement. “Through hands-on activities, kids will enjoy a summer of discovery and fun while developing friendships and building new skills.”
