

2019-2020 Academic Year

“

We were absolutely blown away by all that was offered. I have been teaching for 13 years, and on many field trips over the years. This is by far one of the best!

- Erin L, 5th Grade Teacher

STEP INTO THE PAST!

*Join us for a lesson in
Northern Illinois history!*

As a nationally accredited 13-acre outdoor history museum, our educators bring history to life as students immerse themselves in experiences that bridge past to present. Come learn about the history of the region and how it helped to shape our nation.

Naper Settlement field trips align with Illinois Learning Standards for Social Science and Common Core State Standards for English Language Arts and Literacy in History/Social Studies, as well as incorporating STEM activities.

PLAN YOUR VISIT

HOW TO MAKE A RESERVATION

Reservations are required for all programs and tours, and can be made at any time throughout the year. Our business offices are open year-round, **Monday-Friday, from 8:30AM-4:30PM** to assist you with planning and reserving your trip.

Before emailing or calling, please have the following information ready:

- **Name of program you are reserving**
- **Number of students and number of classrooms**
- **Number of adults (chaperone requirements vary by program; please inquire for minimums)**
- **The date you would like to visit, plus an alternate date**

Your group must have a confirmed reservation to visit Naper Settlement. Please reserve well in advance as dates and programs fill up quickly and space is limited.

HOW TO PLAN YOUR VISIT

After you've made your reservation, we will email you a confirmation and reservation packet.

Your reservation packet will include the following:

- **Confirmation letter including instructions for payment**
- **Reservation contract**
- **Preparatory materials for your visit**
- **Directions to our museum with bus drop-off and parking details**

ACCESSIBILITY

If your group has special needs, please notify us at the time of booking so that we may provide detailed information for your visit. While some of our historic buildings have limited access, Naper Settlement makes every effort to offer you a variety of accessibility options. Please call Group Tours at 630.420.6010 for assistance.

MANUFACTURING VICTORY

March 5 through May 17

Naper Settlement will host the national touring exhibit *Manufacturing Victory: The Arsenal of Democracy*, produced by The National WWII Museum. The 1,500 sq. ft. exhibit follows the industrial journey that took the United States from a nation perilously unprepared for war to a global superpower

that led the Allies to victory in World War II. The exhibit highlights Home Front contributions during the war when a sense of civic duty and responsibility united the nation and fueled America's war effort like nothing before or since. American citizens stepped forward to fulfill the jobs demanded of them, and they excelled beyond all expectations.

TEACHER WORKSHOP

March 19

Seating for the Teacher Workshop is limited and reservations are required. Call Group Tours at 630.420.6010 for more information or to register.

Naper Settlement will introduce middle school teachers to this exhibit through a Manufacturing Victory After School Teacher Workshop on Thursday, March 19. Led by a National WWII Museum educator and Naper Settlement staff, the workshop will prepare teachers to utilize in their classrooms and through field trips, the exhibit's compelling artifacts, photographs, oral histories and interactive audio-video components. A Teacher's Guide will be provided.

TIME TRAVEL TRIP

April through October - All Grades

\$6.50/student, \$8.50/additional adult

Allow 3½ to 4 hours, including time for lunch

Meet educators in period clothing along your self-guided route. Follow the development of a typical Northern Illinois town as it grows from a frontier outpost to a thriving agricultural and industrial community. See demonstrations of 19th century trades and crafts.

Learning Objectives

- Learn about the home life, economics and pastimes of Illinois residents in the 19th and early 20th centuries. Reflect on the similarities and differences of the 19th, 20th and 21st centuries.
- Examine the different ways that science and technology influence the lives and careers of people past, present and future.

LIVING HISTORY

November ~ Grade 4

Limited to Naperville Schools

\$8/student

Costumed educators in period clothing engage students through hands-on work and play.

Learning Objectives

- Experience the roles of folks in the home, at work and in the community in the 19th century.
- Examine the ways in which westward migration affected families and communities.

SCHOOL FOR TOOLS

December through March - Grades 2-5

\$7 to \$8.25/student depending on number of stops; 4- to 6-stop program call for information

The 1800s come alive through sights, sounds and smells. Students witness forging iron in the Blacksmith Shop, operating a printing press in the Print Shop and learning about coffee grinding in the Log House. Students will also experience the cultural legacy of the one-room schoolhouse that gave rise to the popularization of the 3Rs (Reading, 'Riting and 'Rithmetic) and cooperative/peer learning.

Learning Objectives

- Hands-on activities related to the chores and common trades of the time period and evaluate the cultural significance of work and home life practices of the family and community.
- Examine and identify how settlers made economic choices (ie., crops to plant, products to make and trade) to survive and improve their lives.

VOICES OF THE PAST:

The Underground Railroad in Northern Illinois

December through March - Grades 5-8

\$8/student, 2-hour program

An interactive theatrical experience about the time leading up to the Civil War, this program immerses students as they take on the role of scholars in 1856. Students play a role in the stories of the townspeople who represent differing viewpoints in this pivotal time in American History. This exciting and emotive program leads students on a journey to meet with an abolitionist, a southern sympathizer, a freedom seeker, along with other townspeople as they develop and share their perspectives about slavery.

Learning Objectives

- Analyze the program's character portrayals to identify differing social, political, and economic viewpoints during the antebellum era leading up to the Civil War.
- Make connections to contemporary civil rights movements.

HUNT FOR HISTORY:

Discover Where Your Community Began

January ~ Grade 2

Limited to Naperville Schools

\$5.75/student, 2-hour program

Students become detectives on a quest to learn about their local community, then and now. This interactive program takes students on a hunt throughout the historic buildings where educators in period clothing challenge their knowledge of history.

Learning Objectives

- Investigate the family roles and chores involved in daily life on the frontier in Illinois.
- Discover how people used, and continue to use, the environment to serve their needs.

All programs and prices are subject to change without notice. Please call ahead to plan your visit.

GIDDY-UP!

June through September ~ Grades Pre-K-1st
\$7/student, 1½-hour program

Saddle up and climb on your hobby horse as we clip-clop our way across the museum campus from the Blacksmith Shop to the Conestoga Wagon. Our staff will guide your group to five stops during this engaging 90-minute program as they learn the importance of horses to farmers and settlers moving westward in the 1800s.

Learning Objectives

- Discover how horses helped pioneers settle the prairie.
- Use movement, song, sound, smell and touch to learn about the basic needs and care of the horse.

OUTREACH PROGRAMS

Naper Settlement Brings History To You!

OLD-FASHIONED SCHOOL DAYS

December through March ~ Grades 1-5

\$7.50/student, 1½-hour program

Minimum program fee of \$175

Consecutive programs may be booked

Transform your 21st century classroom into a one-room schoolhouse. Your students will take on the role of 19th century students with a schoolteacher in period clothing leading the class. Our staff will provide old-fashioned classroom instruction and supplies, including slates, slate pencils and McGuffey Readers.

PIONEER FUN

December through March

Pre-K (4-5 year olds) through Grade 2

\$7.50/student, 1½-hour program

Minimum program fee of \$175

Consecutive programs may be booked

At your location, let us introduce your students to the life of 19th century pioneer children. Imagine being dressed in pioneer clothing, doing old-fashioned chores and walking in the tall prairie grass alongside the family's Conestoga wagon. Students will participate in a craft project; please have crayons or markers available.

ILLINOIS STATE STANDARDS

Naper Settlement's interactive school programs strongly emphasize inquiry, critical thinking and historical analysis. Our alignment to Illinois State Standards and Common Core supports interdisciplinary/cross-curricular teaching while maintaining the wonder and fun your students crave. The Illinois Learning Standards (ILS) define the knowledge and skills students should possess at critical points along their educational career. Our programs provide an opportunity for students to use various strategies to analyze, infer, problem-solve, collaborate, and communicate. These experiences can act as an introduction to a new concept or as a culminating event to reinforce your classroom's curriculum.

All programs align with one or more of the following Illinois State Standard Goals:

GOAL	ILLINOIS STATE STANDARD	OBJECTIVES
12	Understand the fundamental concepts, principles and interconnections of the life, physical and earth/space sciences.	Students will examine the diverse environmental features of Illinois, the relationships between man and nature for survival and different types of energy including light, heat, sound, electrical and mechanical.
13	Understand the relationships among science, technology and society in historical and contemporary contexts.	Students will recognize the relationships among science, technology, history and society that give humans the ability to change and improve their surroundings and overall survival.
14	Understand political systems, with an emphasis on the U.S.	Students will experience first-hand why rights and responsibilities are important to an individual, family, community, workplace, state and nation.
15	Understand economic systems, with an emphasis on the U.S.	Students will discover how people's lives are directly affected by the economies of cities, states, nations and the world. All communities are engaged in economic activity: buying, selling, trading, producing and consuming.
16	Understand events, trends, individuals and movements shaping the history of Illinois, the U.S. and other nations.	Students will develop an understanding of how people, nations, actions and interactions have led to today's realities.
17	Understand world geography and the effects of geography on society, with an emphasis on the U.S.	Students will gain a deeper understanding of geography and its effects on individuals, as well as the development of communities and societies.
18	Understand social systems, with an emphasis on the U.S.	Students will explore the interaction with families and communities to make choices regarding food, clothing and shelter.

Naper Settlement's school programs are education-based with an intentional focus on academic skills and authentic historical and real-world experiences. Each program stimulates learning, leadership, citizenship and self-exploration.
